Dear Quinn:

*0 POLICE TRAINING CENTER*

We have recently completed a national symposium at the FBI Academy, Quantico, Virginia, on possible terrorist/extremist activities aimed at events of the American Revolution Bicentennial Celebration and the 1976 Olympics in Montreal, Canada. The symposium was attended by selected command level officials from local law enforcement agencies and representatives of Federal agencies having jurisdictional interest.

We were most fortunate to have Rocky Pomerance, president of your organization, and [redacted] from your Research Division in attendance. [redacted] presentation was most informative and appreciated by all in attendance.

Your cooperation in making these gentlemen available is appreciated. I know they both made personal sacrifices to fulfill their engagements.
